

Præmium signs Evans & Partners

5 November 2007

Præmium Limited (ASX: PPS) is pleased to announce that it has been selected by new investment advisory firm Evans & Partners Pty Ltd to provide both front and back office software services.

Evans & Partners has chosen p-Desktop as their advisers' market data and order management solution and V-Wrap for portfolio administration.

Arthur Naoumidis, Præmium Managing Director, said, "We are thrilled to have been selected by the first new full service broker in years. Præmium's online administration and market data system is an ideal choice for brokers requiring live interaction with the market."

David Evans, founder of Evan & Partners, said, "With the advantage of starting with a clean sheet we were able to select an IT package that would provide market leading technology, reliability and reporting to our clients and advisers. The tight integration between V-Wrap and p-Desktop made Præmium an easy choice for us. We are thrilled to be able to enter the market with a lead in technology on our peers."

About Præmium: Præmium supplies its proprietary online portfolio administration service (V-Wrap), market data system (p-Desktop) and Separately Managed Account (SMA) technology to wrap providers financial planners, accountants, wealth managers, stockbrokers and SMSF administrators in Australia. V-Wrap current administers in excess of \$26bn.
