## Investment Account

### Approved Product List

15 January 2024

The Smartwrap Investment Account Approved Product List ('Approved Product List') is issued by Powerwrap Limited ABN 67 129 756 850, AFSL 329829) in its capacity as Responsible Entity of Powerwrap Investment Account, a registered Managed Investment Scheme under the Corporation Act (Cth) 2001 (ARSN 137 053 073).

The information in the Approved Product List forms part of, and should be read in conjunction with, the Smartwrap Investment Account Product Disclosure Statement ('PDS') dated 30 September 2022.

The information contained in this Approved Product List is general information only and does not take into account your personal objectives, financial situation and/or needs. Before you make an investment decision it is recommended you obtain professional financial advice from your Financial Adviser tailored to your personal circumstances.

If you would like to request a printed copy of this Approved Product List, please contact your Financial Adviser or the Responsible Entity; copies will be provided free of charge.

#### **Responsible Entity**

Information regarding the fees and costs charged by managed funds (including any performance fees, if applicable) is contained in the Product Disclosure Statement for the relevant managed fund.

A copy of each managed fund's Product Disclosure Statement is available from your Financial Adviser.

## Term Deposits

You can choose from a selection of term deposits, issued by approved ADIs. Term deposits can be held in custody via Clearstream or non-custodially in your own name. Refer to the disclosure document for the relevant term deposit for more information regarding fees and costs and other terms and conditions that may apply.

## Cash holdings

For information regarding the current interest rate payable on the Cash Operating Account, and any cash held in Model Portfolios, please refer to the Current interest rate document available on our website at [www.praemium.com](http://www.praemium.com).

## Fees and other costs

For all fees and other costs please refer to the Smartwrap Investment Account Product Disclosure Statement available on our website at [www.praemium.com](http://www.praemium.com).

## Model Portfolios

There may be costs associated with the underlying assets in a Model Portfolio such as managed funds and Exchange Traded Funds. The Responsible Entity relies upon your Financial Adviser to provide you with the disclosure documentation for these assets contained in the Model Portfolio, both at the time of your investment and where there are any subsequent changes to the Model Portfolio.

## Model Portfolio Profile

### Blackmore Capital Blended Australian Equities Model Portfolio

**Investment objective:** The portfolio seeks to generate long term capital appreciation by investing in Australian listed equities. The portfolio aims to do so with lower volatility and greater downside protection relative to the S&P/ASX 200 Accumulation Index benchmark.

#### Model description

The Blackmore Capital Blended Australian Equities Model Portfolio is focused on the Australian equity asset class. Diversity is achieved through investment across a variety of equity strategies, industries and geographies, all aiming to emphasise alpha driven returns and risk reduction.

Blackmore Capital's investment approach aims to generate long-term risk adjusted returns, by investing in companies that focus on generating high-quality earnings and operate in industries that exhibit favourable long-term growth prospects.

#### Who is this option suitable for?

The Blackmore Capital Blended Australian Equities Model Portfolio is suitable for an investor who is seeking long term capital growth via an exposure to the Australian share market. This portfolio is designed for investors who seek a lower level of volatility and greater downside protection relative to the S&P/ASX 200 Accumulation Index, prefer a relatively lower turnover portfolio and hold a moderate appetite for risk.

#### Benchmark

# Model Portfolio Profile

## Blackmore Capital Blended Australian Equities Income Model Portfolio

**Investment objective:** The portfolio seeks to deliver long term growth in both capital and income by investing in Australian listed equities. The portfolio aims to do so with lower volatility and greater downside protection relative to the S&P/ASX 200 Accumulation index benchmark.

### Model description

The Blackmore Capital Blended Australian Equities Income Model Portfolio is focused on the Australian equity asset class. Diversity is achieved through investment across a variety of equity strategies, industries and geographies, all aiming to emphasise alpha driven returns and risk reduction.

The primary focus of the portfolio is to identify companies that provide an attractive and stable dividend income stream over the long term.

Blackmore Capital's investment approach aims to generate long-term risk adjusted returns, by investing in companies that focus on generating high-quality earnings and operate in industries that exhibit favourable long-term growth prospects.

### Who is this option suitable for?

The Blackmore Capital Blended Australian Equities Income Model Portfolio is suitable for an investor who is seeking an income stream via an exposure to the Australian share market. This portfolio is designed for investors who seek a lower level of volatility and greater downside protection relative to the S&P/ASX 200 Accumulation Index.
